CENTER FOR AIDS RESEARCH  
University of California Los Angeles

# Grand Rounds

This monthly lecture series, which is offered by the UCLA CFAR / AIDS Institute, consists of hour-long lunchtime lectures, delivered by invited guests or distinguished members of the Institute faculty, on a broad range of subjects. The aims of the program are to highlight important developments in AIDS-related research, encourage collaborations between UCLA investigators and invited speakers, interest young investigators in AIDS research, and provide information about new findings and new funding opportunities.
