

2025 CHIPTS HIV Next Generation Conference

Call for Participants

Abstract submission and registration are now open for the CHIPTS 2024 HIV Next Generation Conference on Friday, January 31, 2025. The conference is **free to attend and will be held in-person** at The California Endowment - 1000 Alameda St, Los Angeles, CA 90012.

The goal of this conference is to support the next generation of HIV researchers, HIV prevention and treatment practitioners, and service providers dedicated to ending to HIV/AIDS through networking and exchanging visions for future priorities.

We welcome participation from all Southern California, national and global stakeholders and partners working to advance HIV prevention and treatment programs, policies, education, and research. The intended audience are CBO, ASO, clinic and public health department staff, community, patient and client advocates, students and trainees, and early-stage to established investigators.

Abstracts:

We encourage abstracts on any of the sub-themes below to create a shared vision of priorities and partnerships to make transformational impacts on HIV prevention and treatment that are based upon CHIPTS' four-level (behavioral, biomedical, technological, structural/policy) framework for HIV prevention and care.

- Mental Health and Substance Use
- Health Disparities and Inequities
- Homelessness, Housing and Economic Insecurity
- Stigma and Discrimination
- Syndemics and Intersectionality
- Co-Morbidities and Co-Infections
- Biomedical Prevention (PrEP/PEP)
- Continuums of Care and Prevention
- Implementation Science
- Model Partnerships and Integrated Services
- COVID-19
- Mpox (Poxvirus)
- Policy

Abstracts that address social and structural determinants of health (e.g., homelessness, stigma), resilience, and protective factors to improve HIV health outcomes, and abstracts that explore the impact of disruptors and innovation on HIV prevention, substance use, and/or mental health services (e.g., expansion of telehealth, self-testing, etc.) for communities affected by HIV are strongly encouraged. Abstracts from global and local research projects are also encouraged.

Abstract Submission Guidelines:

To guide your abstract submission, abstracts should be between 300-600 words and feature the sections: Title, Background, Methods, Results and Conclusion

5 Ways to Participate:

1. Attend: Participate in the conference to learn, share, and network.
2. Present: Share program and research experiences and findings in oral or poster presentations.
3. Mentor: Senior researchers and staff provide feedback on abstract drafts prior to final submission.
4. Review: Conduct peer review of abstracts for oral and poster presentations.
5. Learn: Earn up to 5 hours of Continuing Education Credits for Registered Nurses, LCSWs, LMFTs, LPCCs, LEP & *Pharmacists
Pharmacists need to confirm CE information with their boards.

Important Dates

- Submit Pre-submission Abstracts Deadline: Friday, September 9, 2024
- **Submit Final Abstracts Deadline: Monday, October 7, 2024**
- Abstract Acceptance Notification Deadline: Friday, November 20, 2024
- **Register and Volunteer Deadline: Monday, December 23, 2024**
