

**DALLAS T. SWENDEMAN**

**CURRICULUM VITAE**

**PERSONAL HISTORY:**

Business Address:  
Department of Psychiatry and Biobehavioral Sciences  
University of California, Los Angeles  
10920 Wilshire Blvd, Suite 350  
Los Angeles, CA 90024-7311  
P: 310-794-8128;  
email: dswendeman@mednet.ucla.edu

**EDUCATION:**

- 2007      **Ph.D. in Public Health**  
Fielding School of Public Health  
Department of Community Health Sciences  
Minor in Sociology, Organizational Studies  
University of California, Los Angeles
- 2002      **Master of Public Health**  
Fielding School of Public Health,  
Department of Community Health Sciences  
University of California, Los Angeles
- 1992      **B.A. in Anthropology**  
University of California, Los Angeles  
Emphasis: Psycho-Cultural & Medical Anthropology

**LICENSURES & CERTIFICATION:**

**Certified Health Education Specialist (C.H.E.S.)**  
# 16869, October 2009

**Triple P (Positive Parenting Program)**  
Accredited Provider, August 2008.

**PROFESSIONAL EXPERIENCE:**

**Present Positions –**

**Center Co-Director**  
Center for Community Health, &  
Global Center for Children & Families,  
Semel Institute for Neuroscience and Human Behavior  
University of California, Los Angeles  
2013 –

**Associate Professor-in-Residence, Step II**  
Department of Psychiatry and Biobehavioral Sciences

David Geffen School of Medicine at UCLA  
July 2017 –

**Associate Professor**

Department of Epidemiology (joint appointment without salary)  
Fielding School of Public Health at UCLA  
July 2017 –

**Previous Positions –**

**Assistant Professor-in-Residence**

Department of Psychiatry and Biobehavioral Sciences  
David Geffen School of Medicine at UCLA  
October 2010 – June 2017

**Assistant Professor**

Department of Epidemiology (joint appointment without salary)  
Fielding School of Public Health at UCLA  
July 2013 – June 2017

**Center Co-Director**

Center for HIV Identification Prevention and Treatment Services  
University of California, Los Angeles  
2013 – 2016 (formerly Executive Director 2012-2013)

**Director, Bridging Science to Markets**

UCLA Family Commons  
Global Center for Children & Families  
Semel Institute for Neuroscience & Human Behavior  
Santa Monica & Los Angeles, CA  
October 2007 – 2013

**Assistant Research Scientist**

Center for Embedded Networked Sensing  
Department of Computer Science  
University of California, Los Angeles  
2010 – 2011

**Assistant Research Scientist**

Department of Psychiatry and Biobehavioral Sciences  
David Geffen School of Medicine at UCLA  
2008 – 2010

**Graduate Student Researcher II**

School of Public Affairs  
University of California, Los Angeles  
Study: Organizational Factors in the Detection of HIV in Los Angeles  
2003 – 2007

**Special Reader II**

School of Public Health  
University of California, Los Angeles  
Department of Community Health Sciences

Courses: CHS 211A & B, Program Planning, Research & Evaluation  
2003 & 2005 (January – June)

**Staff Research Associate I, II, & III-Supervisor**

University of California, Los Angeles  
Center for Community Health  
Semel Institute for Neuroscience & Human Behavior  
1994 – 2007

**Research Assistant**

Survey Research Center, Institute for Social Science Research  
University of California, Los Angeles  
1993 – 1994

**PROFESSIONAL ACTIVITIES:**

**University Service –**

**Co-Director, Center of Expertise on Women’s Health, Gender & Empowerment\***

University of California Global Health Institute (UCGHI)

\* This mission of this center and UCGHI is to promote, across the 10 UC campuses, global health-related education and training (particularly for undergraduates); community engagement with faculty, students, staff and local and global partners; research and dissemination; and a signature project to strengthen prevention of campus-based sexual violence and sexual assault (see details in personal statement).

2016 –

**Co-Director, Development Core\***

Center for HIV Identification Prevention and Treatment Services  
University of California, Los Angeles

\*The mission of the Development Core is to support training, mentoring, and research opportunities for UCLA post-doctoral fellows, doctoral students, and junior faculty, and community partners, for innovation in behavioral science on HIV/AIDS at the intersection of mental health and substance abuse.

2016 –

**Committee Service –**

**Public Health Working Group, UCLA Cannabis Research Initiative**

Semel Institute for Neuroscience and Human Behavior, UCLA  
Augusts 2018 -

**Co-Chair, Research Committee**

Center for Expertise on Women’s Health & Empowerment  
University of California Global Health Institute (UCGHI)  
October 2015 – 2016 (formerly member 2010–2011, 2012–2015)

**Education Committee**

Center of Expertise on Women’s Health & Empowerment  
University of California Global Health Institute (UCGHI)

October 2011 - 2012

**Steering Committee**

Bixby Center for Population and Reproductive Health, UCLA  
June 2012 -

**Co-Chair, Scientific Advisory Committee**

Sonagachi Research & Training Institute  
Kolkata, West Bengal, India  
March 2011 -

**Internship Organizer & Mentor**

Durbar / Sonagachi Project  
Kolkata, India  
2007 -

**Board of Directors Service -**

**Beneventures Foundation**

Secretary, Board of Directors  
Venice, California  
Mission to support technology-based social entrepreneurship  
June 2010 –

**University Cooperative Housing Association**

Treasurer, Board of Directors  
Westwood, California  
1990 – 1991

**Professional Associations and Scholarly Societies –**

Society for Research on Adolescence, 2016 -  
Society for Research in Child Development, 2015 –  
Society for Prevention Research 2014 -  
Society for Public Health Education 2006 -  
Delta Omega Honorary Society in Public Health, 2003 -  
American Public Health Association, 2002 –  
International AIDS Society, 2002 -  
American Anthropological Association, 1991-1992  
Society for Medical Anthropology, 1991-1992  
Society for Psychological Anthropology, 1991-1992  
Society for the Anthropology of Consciousness, 1991-1992

**Editorial Services / Ad Hoc Reviewer –**

*Addiction*

**Grant Proposal Peer Reviewer / Ad Hoc Reviewer –**

**National Institutes of Health**

Small Business Health Information Technology (HIT) Study Section  
SBIR/STTR proposals on HIT for a diverse range of diseases  
March 2019

**Center for HIV Identification, Prevention and Treatment Services**

Peer reviews for annual pilot grant proposals for HIV research  
Feb. 2019, Mar. 2018, Aug. 2017, Jan. 2016, Dec. 2012  
\*Led peer-review process and call for proposals for 2016-

**Welcome Trust, United Kingdom**

Peer review for International Training Fellowship  
September 2018

**UCLA AIDS Institute/ Center for AIDS Research (CFAR)**

Peer reviews for annual seed grant proposals for HIV research  
June 2018

**UC Global Health Institute - Women's Health, Gender and Empowerment Center of Expertise**

Peer review and co-chair for international university campus-based violence prevention research.  
February – March 2018

**UC Global Health Institute – Planetary Health Center of Expertise**

Peer review for seed grants at intersection of planetary health and women's health and empowerment  
July 2017

**National Institutes of Health**

Small Business Risk Prevention and Health Behavior Study Section  
SBIR/STTR proposals on mobile device and web technologies  
March 2016, November 2015

**Netherlands Organisation for Health Research and Development**

Prevention-programme expert review on proposal for text messaging to promote STI testing and partner notification by youth  
February 2012

**National Institutes of Health**

Risk Prevention and Health Behavior Challenge Grants Study Section  
NIH Challenge Grants  
June 2009

**Consulting Activities –**

**Dimagi Inc., (mobile health B-Corp.), Cambridge Massachusetts**

Consultant on development and testing of a smartphone application for adolescent HIV clinic patients and staff for a NIH SBIR Phase II project.  
August 2017 -

**Diana Delgado, PhD, Florida International University**

Consultant for NIH K01 career development award with research examining the role of momentary-state substance use, psychosocial, and medication use space factors, on short-term volatility of medication adherence among young adult Latino men who have sex with men living with HIV. This will inform development of a “Just-In-Time Adaptive Intervention” using adaptive and ecological momentary interventions. September 2017 – funded 2018

**Khmer HIV/AIDS National Association (KHANA), Cambodia.**

Consultant on development and testing of text-message and voice-message intervention and monitoring tools for female entertainment workers and community health workers to reduce HIV/STI risk and gender-based violence. December 2014 – , funded 2017 -

**Loma Linda University, California**

Consultant on proposal development for research on interventions for HIV, substance abuse, and mental health in HIV and primary care clinics in the Inland Empire and Coachella Valley December 2016 -

**Evidence for Scale: Implementing Quality Education and Early Childhood Development Programs at Large Scale in Global Contexts**

Discussant for invited international meeting sponsored by USAID and Global TIES for Children (Transforming Intervention Effectiveness at Scale) research center at New York University NYU Abu Dhabi, United Arab Emirates March 1-3, 2016

**Technology and Human Services Symposium**

U.S. Department of Health and Human Services Office of Planning, Research and Evaluation, & Administration for Children and Families, Washington, D.C., September 10, 2012

**Youth HIV/STI Prevention and Sexual Health External Expert Review Group**

National Center for HIV/AIDS, Viral Hepatitis, STD and TB Prevention Centers for Disease Control and Prevention, Atlanta GA March 2012

**Durbar Mahila Samanwaya Committee / Sonagachi Project**

Project planning and debriefing for USAID-sponsored community health worker mobile application pilot projects with Dimagi, Inc. (a global mHealth company and contract partner) Kolkata, West Bengal, India December 19, 2012 & July 20, 2014

**Consultation to Drs. Dennis Embry and Nick Ialongo**

On potential development of a mobile phone application for a widely diffused evidence-based intervention for behavioral self-regulation in school children (The Good Behavior Game)

John's Hopkins University, Baltimore, MD  
July 25, 2012

**mHealth Evidence Workshop**

National Institutes of Health and Robert Wood Johnson Foundation  
Invited participant with 40 other mobile health researchers  
National Institutes of Health, Bethesda MD  
August 16, 2011

**HONORS AND SPECIAL AWARDS:**

- |             |   |
|-------------|---|
| July 2015   | <p><b>Jacobs Foundation Young Scholars Award</b><br/>Career development and mentoring network for research on youth<br/>Jacobs Foundation, Zurich, Switzerland</p>  |
| July 2011   | <p><b>William T. Grant Foundation Scholar Award, Class of 2016</b><br/>Career development, mentoring, and research award<br/>\$350,000 for salary support and research from 2011 – 2016</p>   |
| Spring 2007 | <p><b>Quality of Graduate Education (QGE) Award</b><br/>University of California, Los Angeles<br/>School of Public Health, Department of Community Health Sciences<br/>\$6,450 awarded for academic excellence &amp; dissertation progress support</p>  |
| June 2005   | <p><b>Celia and Joseph Blann Fellowship</b><br/>University of California, Los Angeles<br/>School of Public Health<br/>\$25,000 awarded for academic excellence in annual inter-departmental competition in the School of Public Health.</p>   |
| 2002 - 2005 | <p><b>National Institute of Mental Health Pre-Doctoral Training Fellowship in Psychosocial and Service Systems Research for HIV/AIDS</b><br/>School of Public Affairs, University of California, Los Angeles<br/>\$21,000 per year for three years to support additional training in HIV/AIDS epidemiology, research methods and ethics</p> |
| Fall 2000   | <p><b>UC Regents Registration Fee Fellowship Award</b><br/>University of California, Los Angeles<br/>School of Public Health, Department of Community Health Sciences<br/>\$5,000 incentive award to accept admission</p>   |

**RESEARCH GRANTS AND FELLOWSHIPS RECEIVED:**

Source: Center for HIV Identification, Prevention and Treatment Services (CHIPTS)  
Purpose: Pilot grant award for "Evaluating Social Movement and Diffusion Processes in the Sonagachi Model HIV Prevention Program" for mixed methods research to study empowerment processes among sex workers.

Amount: \$25,000

Funding period: 2005-2006

Role: Principal Investigator

Source: American Institute of Indian Studies

Purpose: Junior Fellowship award for “Evaluating the Social Movement Aspects of HIV Prevention in India: The Sonagachi Case” through ethnographic fieldwork in India.

Amount: \$12,000

Funding period: 2006-2007

Role: Principal Investigator

Source: National Heart Lung Blood Institute

Purpose: RC1 Challenge Grant for “Self-monitoring using GPS- and accelerometer-equipped Smartphones” to test reliability & validity of ecological momentary assessment and feedback for diet, stress, and physical activity with young mothers

Amount: \$1,000,000 total direct costs

Funding period: 2009-2011

Role: Co-Investigator

Source: William T. Grant Foundation

Purpose: Scholar award for “Mobile Phone Ecological Momentary Assessment for Family Functioning, Daily Routines, and Settings” to support research, career development, and mentoring.

Amount: \$350,000

Funding period: 2011-2016

Role: Principal Investigator

Source: National Institute of Allergy and Infectious Diseases

Purpose: R21 grant for “Mobile Phone Adherence and Prevention Support for People Living with HIV in India” for development and pilot testing

Amount: \$275,000

Funding period: 2012-2015

Role: Principal Investigator

Source: National Institute of Mental Health

Purpose: P30 “Center for HIV Identification, Prevention, and Treatment Services (CHIPTS)” Goal to promote collaborative research and capacity building on effective HIV detection, prevention, and treatment programs for HIV at the societal, community, provider, and individual levels.

Amount: \$39,000 (annual salary support plus benefits)

Funding Period: 2012 - 2016

Role: Center Co-Director, Development Core Co-Director, Methods Core Scientist (Rotheram-Borus, PI)

Source: National Institute on Drug Abuse

Purpose: R01 grant “Theory-based Text Messaging to Reduce Methamphetamine Use and HIV Risks Among MSM” for testing in a randomized controlled trial

Amount: \$11,000 (annual salary support)

Funding period: 2013-2017

Role: Co-Investigator (Reback, PI)

Source: National Institute on Child Health and Development

Purpose: R24 grant “The Global Partnership for AIDS Behavioral Research: South Africa and U.S.” for capacity building with South African collaborators.

Amount: \$11,000 (annual salary support plus benefits)

Funding period: 2013-2018

Role: Co-Investigator (Rotheram-Borus, PI)

Source: National Institute on Drug Abuse

Purpose: R01 grant “HIV & Drug Abuse Prevention for South African Men.” The major goal of this project is to test the efficacy of randomizing all young men in a neighborhood to receive: 1) Soccer League (SL), 2) Soccer League and Vocational Training (SL-V), or a 3) Control Condition (CC) to reduce substance use and increase HIV testing. Mobile technologies support data collection and contingency management.

Amount: \$11,000 (annual salary support)

Funding period: 2015-2020

Role: Co-Investigator (Rotheram-Borus, PI)

Source: Health Resources and Services Administration

Purpose: U90 “Evaluation and Technical Assistance Center (ETAC) for Special Projects of National Significance (SPNS) on Use of Social Media to Improve Engagement, Retention, and Health Outcomes along the HIV Care Continuum” with goal to provide technical assistance and multi-site evaluation for 10 national demonstration sites.

Amount: \$39,000 (annual salary support plus benefits)

Funding Period: 2015 - 2019

Role: Co-Principle Investigator (Brooks, PI)

Source: Jacobs Foundation

Purpose: Young Scholar award for “Advancing Innovative Audio-Sensing Technology to Capture Family Emotional Climate in Situ Using Mobile Phones” to support development research with families with substance using adolescents.

Amount: \$40,000 for research and salary support

Funding period: 2016 – 2017

Role: Principal Investigator

Source: California HIV/AIDS Research Program

Purpose: “HealthMindr: HIV prevention app to improve outreach, HIV testing and linkage to appropriate HIV services for Black young men who have sex with men (YMSM) in Los Angeles County” with goal to develop and pilot test a mobile app for young men who have sex with men targeting outcomes on the HIV treatment continuum

Amount: \$9,000 (annual salary support)

Funding period: 2016 – 2019

Role: Co-Investigator (Holloway & Milburn, PIs)

Source: National Institute on Child Health and Development

Purpose: Adolescent Trials Network for HIV/AIDS Interventions Research: “A Comprehensive Community-based Strategy to Optimize the HIV Prevention and Treatment Continuum for Youth At HIV Risk, Acutely Infected, and with Established HIV Infection.” This program project, comprised of four R01-scale projects, will identify and intervene with youth ages 12-24 year with acute HIV infection or at high risk for infection in Los Angeles and New Orleans.

Amount: \$60,000 (annual salary support)

Funding period: 2016 - 2021

Role: PI/PD - on largest project in U19, a randomized 4-arm factorial design testing mobile phone and social media technology-based interventions with a cohort of 1,000 high-risk HIV-negative youth.

Source: National Institute of Mental Health

Purpose: P30 “Center for HIV Identification, Prevention and Treatment Services (CHIPTS).” Goal to promote collaborative research and capacity building on effective HIV detection, prevention, and treatment programs for HIV at the societal, community,

provider, and individual levels.  
Amount: \$39,000 (annual salary support)  
Funding Period: 2017 - 2021  
Role: Development Core Co-Director (Shoptaw, PI).

Source: California Department of Public Health & Centers for Disease Control & Prevention  
Purpose: "Rape Prevention and Education Program Evaluation Supplement: Assessing the Environment for Campus Violence Prevention in California at UCSD, UCSB and UCLA." For qualitative research to inform strengthening of sexual violence prevention.  
Amount: \$15,000 plus in-kind support  
Funding period: 2018 – 2019  
Role: Site-PI (Wagman, PI)

## **LECTURES AND PRESENTATIONS:**

### **Courses -**

Program Planning, Research, & Evaluation  
Community Health Sciences 211B  
Core course in MPH program in Community Health Sciences  
Fielding School of Public Health  
Spring 2016

Psychiatry 596  
Independent study for doctoral student in Community Health Sciences  
Mentored writing project on masculinities among young township men in South Africa  
Spring 2015

Women's Health and Empowerment Summer Institute at UCLA  
Community Health Sciences 296, Two-week summer intensive graduate course,  
Course Co-Founder, Curriculum Co-Developer, and Instructor of Record, with Professors  
David Gere, Paula Tavrow, Carol Camlin and UC multi-campus guest lecturers.  
Sponsored by UCGHI Center of Expertise on Women's Health & Empowerment  
August 2011 & 2012, and Guest Lecturer 2013 – 2015 for course offered in Africa

### **Guest Lectures –**

Behavioral interventions for HIV prevention  
Fielding School of Public Health, UCLA  
Graduate course Epidemiology 227 – AIDS: A Major Public Health Challenge  
for Professor Detels  
May 20, 2009; May 19, 2010; May 18, 2011; May 16, 2012; April 17, 2013; May 23, 2014.

Behavioral interventions in public health  
Fielding School of Public Health, UCLA  
Undergraduate course Public Health 150 – Contemporary Health Issues  
for Professor Detels  
November 1, 2010; November 2, 2011; October 24, 2012; October 23, 2013

The role of social workers, policy advocates, social scientists, & artists in community-led structural interventions: A case example from the Sonagachi Project and sex worker empowerment in India.

UCLA School of Public Affairs, undergraduate course in social work  
January 17, 2011

Case studies in mobile health: Mothers and other health-related projects

UCLA undergraduate course, International Development Studies 191-3: Participatory Sensing for Development Studies (PS4DS)  
for Professor Deborah Estrin  
May 4, 2011

Mobile technologies for innovative research methods

UCLA undergraduate course, Anthropology 157 - Complementary, Alternative and Integrative Medicine  
for Professor Sonya Pritzker  
November 1, 2011

mHealth for reproductive health

Fielding School of Public Health, UCLA  
Invited Lecture by Reproductive Health Interest Group  
April 2, 2012

mHealth for behavioral research: Technology & design issues

Fielding School of Public Health, UCLA  
Invited Lecture by student interest group  
April 10, 2012

Innovation in social research methods: Mixed and mobile

Department of Anthropology, UCLA  
Undergraduate methods course: Anthropology 150  
for Professor Melissa Withers  
May 15, 2012

Empowerment Theory of Action

UCLA Summer Institute on Women's Health and Empowerment  
UCGHI Center of Expertise on Women's Health & Empowerment  
for Professors Paula Tavrow and David Gere  
August 12, 2013

Sex workers: Structure & Agency

UCLA Summer Institute on Women's Health and Empowerment  
UCGHI Center of Expertise on Women's Health & Empowerment  
for Professors Paula Tavrow and David Gere  
August 13, 2013

Mobile technologies for global health

UCLA undergraduate seminar in Global Health  
for Professor Sean Young  
April 12, 2014

Sex workers and women's health and empowerment

UCGHI Summer Institute on Women's Health and Empowerment  
for Professor Paula Tavrow  
Aga Khan University, Nairobi Kenya Campus (by video conference)  
July 23, 2014

Sex workers, HIV prevention, and empowerment in India

University of Southern California  
MPH course on Community Organizing for Global Public Health  
for Professors Deborah Mindry & Melissa Withers  
September 25, 2014

Global public health experiences in India: Empowerment with sex workers and "mHealth" for people living with HIV/AIDS

Fielding School of Public Health, UCLA  
Graduate course, Community Health Sciences 200, Global Health Problems  
for Professor Ondine von Ehrenstein  
December 2, 2014

Career pathways from Community Health Sciences

Fielding School of Public Health at UCLA  
Doctoral Seminar, Community Health Sciences 286  
for Professor Steven Wallace  
February 24, 2015

Empowerment with sex workers in India

Fielding School of Public Health, UCLA  
Graduate course, Community Health Sciences 200, Global Health Problems  
for Professor Jane Schmitz  
May 29, 2015

Sex workers and women's health and empowerment

UCGHI Summer Institute on Women's Health, Masculinities, and Empowerment: Advocacy and Leadership Training  
for Professors Paula Tavrow and Shari Dworkin  
Nairobi, Kenya (by video conference)  
September 9, 2015

Mobile Technologies for Global Health

Fielding School of Public Health, UCLA  
Graduate course, Community Health Sciences 200, Global Health Problems  
for Professor Ondine von Ehrenstein  
November 24, 2015; March 13, 2017; November 26, 2018.

Empowerment with sex workers in India

Fielding School of Public Health, UCLA  
Graduate course, Community Health Sciences 200, Global Health Problems  
for Professor Jessica Gipson  
March 10, 2016

Technology and Child Mental Health

NIMH Child Intervention, Prevention, and Services (CHIPS) Program  
Research mentoring session, UCLA

May 12, 2016

Use of Technology to Change Health Behavior  
Summer Institute in Social and Personality Psychology at USC  
July 19, 2017

Pathways in Global Health Research Collaboration, University of California, Berkeley,  
Undergraduate course, Public Health W108, Women's Health Gender and Empowerment, for  
Professors Hemmerling, Mindry, and Decker. Video recording for online course available to  
all UC students through UCOP.  
November, 16, 2018

### **Capacity Building Trainings -**

Tracking hard to reach populations longitudinally  
Half-day training for the Los Angeles County Office of AIDS Programs, under auspices of  
the Center for HIV Identification Prevention and Treatment Services (CHIPTS)  
Los Angeles, July 20, 1998

Tracking, locating and retention of hard to reach populations  
Half-day training for HIVNET Project ACHIEVE under auspices of CHIPTS  
Los Angeles, May 24, 1999

Stigma, labeling, and framing: Key opportunities for treatment linkages, partner disclosure,  
and risk reduction counseling in HIV Testing  
Jayaprakash Institute of Social Change, with West Bengal State AIDS Control Society  
(WBSACS) and the India National AIDS Coordination Organization (NACO)  
Invited Keynote Presentation for HIV Testing and Counseling Training  
Kolkata, West Bengal, India, March 30, 2007

Empowerment outcomes from the Durbar Community-Led Structural Intervention: Results  
from the UCLA-Durbar collaborative quasi-experimental trial in North Bengal, India.  
One-day training and study feedback session for Durbar Monitoring and Evaluation staff.  
Kolkata, West Bengal, India, July 23, 2007

Preparing Social Media and Mobile Technology Interventions for Replication: Guidance on  
Replication and Implementation Manuals and Monographs  
Presentations and workshops for the HRSA/SPNS Social Media Initiative's twice annual  
grantee meetings  
Washington DC, 2016 to 2019

Technical assistance for social media and mobile technology interventions in HIV clinics  
with patients, staff and providers for retention in care and medication adherence.  
For the HRSA/SPNS Social Media Initiative evaluation and technical assistance center  
Los Angeles, New York City, Philadelphia, and Harrisburg PA, September 2016 - 2019

### **Conference & Meeting Presentations -**

Interventions for youth living with HIV  
NIDA Blending Clinical Practice and Research Conference: Forging Partnerships to Enhance  
Drug Addiction Treatment, Poster Presentation  
Los Angeles, November 1- 2, 2000

Interventions for youth living with HIV: Telephone, in-person, and small group delivery  
NIMH Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, Poster Presentation  
Los Angeles, July 25-27, 2001.

Young people living with HIV: Patterns of risk, substance use, health behaviors, mental health outcomes, and intervention effects  
American Psychological Association Annual Meeting, Oral Presentation  
San Francisco, August 28, 2001

HAART utilization among young people living with HIV  
HIV Research: The Next Generation Conference, Poster Presentation  
Los Angeles, April 9, 2002

Prevention for young positives: Individual, telephone, and group interventions  
XIV International AIDS Conference, Poster Presentation  
Barcelona, July 11, 2002

The impact of stigma on the adjustment of young HIV+ persons  
XIV International AIDS Conference, Poster Presentation  
Barcelona, July 11, 2002

Condom use outcomes from a replication and evaluation of a sustainable, community-level HIV prevention program for sex workers in India  
HIV Research: The Next Generation Conference, Oral Presentation  
Los Angeles, April 13, 2003

The HIV Simulation Game  
American Sociological Association Annual Meeting, Oral Presentation Co-Author  
Atlanta, August 16, 2003

A sustainable, community-level HIV prevention program for sex workers in India  
131<sup>st</sup> annual meeting of the American Public Health Association, Oral Presentation  
San Francisco, November 19, 2003

HIV-related stigma among young people living with HIV  
131<sup>st</sup> annual meeting of the American Public Health Association, Poster Presentation  
San Francisco, November 19, 2003

Post-trial HIV vaccine adoption and behavioral responses among persons at risk for HIV (Project VIBE)  
University-wide AIDS Research Program Conference, Poster Presentation  
Los Angeles, February 20, 2004

Evidence for the efficacy of the Sonagachi project in improving condom use and community empowerment among sex workers: results from a cohort-control study  
XV International AIDS Conference, Poster Author for CBO Partner Presenter  
July, 2004

Experienced and perceived HIV-related stigma among young people living with HIV: Implications for preventive and supportive interventions  
132nd Annual Meeting of the American Public Health Association, Oral Presentation  
Washington DC, November 8, 2004

Sex worker or prostitute? Labels do matter: Evidence from a community-level intervention trial of the Sonagachi Project, India

132nd Annual Meeting of the American Public Health Association, Oral Presentation  
Washington DC, November 8, 2004

Human rights, social justice and HIV: a case example from a collaborative evaluation with the Sonagachi Project, West Bengal, India

57<sup>th</sup> Annual Meeting of the Society for Public Health Education, Oral Presentation  
Boston, November 3, 2006

'HIV is our patron saint': Human rights, HIV, and health education and promotion: Evidence from the Sonagachi Project, West Bengal, India

134th Annual Meeting of the American Public Health Association, Poster Presentation  
Student Poster Competition Awardee  
Boston, November 6, 2006

Commentary on abuse and coercion in reference to the 'Sex Work is Valid Work' framing in the Sonagachi intervention

1<sup>st</sup> All India Conference of Entertainment Workers, Invited Panel Discussant  
Kolkata, India, February 25, 2007

In-House Sex: The role brothels play in reducing HIV risk among sex workers in the Sonagachi Project, India

Society for Social Work Research 13<sup>th</sup> Annual Conference, Oral Presentation Co-Author  
New Orleans, January 17, 2009

The Sonagachi/Durbar case example of global reproductive justice in action

An Interdisciplinary Approach to Global Reproductive Justice, organized by UCLA School of Public Health Students, Oral Presentation & Panelist  
Los Angeles, March 2, 2009

Identity and framing effects in health behavior change interventions: Examples from the Sonagachi Project with sex workers in India

New Developments in the Psychology of Illness International Invited Conference, Oral Presentation  
Yasawa Islands, Fiji, April 3, 2009

Adaptation and Innovation in a family of evidence-based interventions for homeless, at-risk, and HIV-positive youth

National HIV Prevention Conference, Panel Organizer and Oral Presentation  
Atlanta, August 24, 2009

Designing for diffusion: Common and core elements in evidence-based interventions

National HIV Prevention Conference, Roundtable Session Organizer  
Atlanta, August 25, 2009

Improving personal and environmental health decision making with mobile personal sensing  
UCLA Center for Embedded Network Sensing 7<sup>th</sup> Annual Research Review, Post Co-Author  
October 28, 2009

Common factors, processes, and principles in evidence-based behavioral interventions

3rd Annual NIH Conference on the Science of Dissemination and Implementation, Oral Presentation  
Bethesda, March 16, 2010

Designing for diffusion: Common and core elements in evidence-based interventions  
3rd Annual NIH Conference on the Science of Dissemination and Implementation, Panel  
session author/organizer.  
Bethesda, March 16, 2010

Mobile technologies for HIV prevention in South Africa  
3rd Annual NIH Conference on the Science of Dissemination and Implementation, Oral  
Presentation Co-Author  
Bethesda, March 16, 2010

Improving personalized health care through mobile self-monitoring: a robust architecture,  
engaging interfaces, and pilot studies  
UCLA Center for Embedded Network Sensing, National Science Foundation Site Visit and  
Demonstration, Poster Presentation Co-Author  
May 11, 2010

Mobile technologies to support community health workers' delivery of HIV prevention  
interventions: Experiences in two RCTs in South Africa  
mHealth Summit, Poster Presentation  
Washington DC, November 8-10, 2010

Diabetes Buddies: Peer support through a mobile phone buddy system  
mHealth Summit, Poster Presentation  
Washington DC, November 8-10, 2010

Masihambisane: clinic-based, real time data collection on mobile phones  
mHealth Summit, Poster Presentation  
Washington DC, November 8-10, 2010

Ecological momentary assessment and intervention for people living with  
HIV/AIDS: Feasibility, acceptability, and privacy concerns for sex, drugs, & medication  
adherence  
mHealth Summit, Poster Presentation  
Washington DC, November 8-10, 2010

Mobile phones for mixed methods research: Technology & design issues  
William T. Grant Foundation Annual Mixed Methods Meeting, Invited Oral Presentation  
Los Angeles, April 23, 2012

Mobile phones for measuring youth settings: Technology & design Issues  
William T. Grant Foundation Settings Measurement Meeting, Invited Oral Presentation  
Chicago, May 23, 2012

Exploring pathways to sex work, stigma and risk for HIV among female sex workers in India  
XIX International AIDS Conference, Mentored Student Poster Presentation Co-Author  
Washington DC, July 23, 2012

Mobile technologies for HIV identification, prevention and treatment  
XIX International AIDS Conference, Satellite Session Organizer/Author  
Washington DC, July 24, 2012

Mobile phones for self-monitoring & self-management among people living with HIV

XIX International AIDS Conference, Satellite Session Oral Presentation  
Washington DC, July 24, 2012

Daily mobile phone self-monitoring of medication use, mood, stress, sexual behaviors and substance use is feasible and acceptable among people living with HIV (PLHIV) and demonstrates benefits for self-management of health behaviors and quality of life

XIX International AIDS Conference, Poster Presentation  
Washington DC, July 25, 2012

Philani Plus: a generalist community health worker (CHW) home-visiting intervention with pregnant women improves maternal and child outcomes for HIV, alcohol use and child malnutrition in South Africa

XIX International AIDS Conference, Poster Presentation  
Washington DC, July 24, 2012

Identifying preferences for mobile health applications for self-Monitoring and self-management: Focus group findings from HIV-positive persons and young mothers

Medicine 2.0 Congress, Oral Presentation  
Boston, September 16, 2012

Can we agree on agreement? Reliability, validity, and concordance between daily mobile phone and retrospective recall reports on sex, drugs, and quality of life among People Living with HIV

CHIPTS Methods Seminar Presentation, Co-Presenter  
Los Angeles, February 12, 2013

Lifestreams Dashboard: An interactive visualization platform for mHealth data exploration

ACM HotMobile 2013: The 14<sup>th</sup> Workshop on Mobile Computing Systems & Applications, Poster Co-Author  
Jekyll Island, February 26-27, 2013

Community-led structural interventions as a model of empowerment for health and development: The Sonagachi/ Durbar intervention with sex workers in India

141<sup>st</sup> Annual Meeting of the American Public Health Association, Roundtable Presentation  
Boston, November 5, 2013

Patient/client engagement & activation using smartphone apps, text-messaging, interactive voice response, and mobile/web case management platforms

Innovative Use of Technologies for HIV Prevention and Care: Evidence, Challenges, and the Way Forward (Conference organized by CHIPTS), Invited Oral Presentation  
Los Angeles, January 23, 2014

Participatory development of technology-based support tools for a newly implemented, department of public health funded, medical care coordination model for improved retention on the treatment cascade

Enhanced Comprehensive HIV Prevention Planning (ECHPP) Meeting, Oral Presentation  
George Washington University  
Washington DC, February 3, 2014

Mobile technology and global health

UCLA Global Health Planning Day, Schools of Medicine & Public Health, Oral Presentation  
Los Angeles, February 24, 2014

Mobile technologies for self-monitoring, self-management, patient-engagement, and research  
UCLA Center for AIDS Research, Weekly Cross-Disciplinary Conference, Oral Presentation  
Los Angeles, May 13, 2014

Medication adherence and quality of life support by interactive voice response (IVR) calls among people living with HIV in India  
Society for Prevention Research Annual Meeting, Poster Presentation  
Washington DC, May 28, 2014

Text-messaging peer support, smartphone self-monitoring for self-management, and bridging strategies for the future.  
Peers for Progress Annual Meeting, Invited Oral Presentation  
San Francisco, June 18, 2014

Novel strategies to engage in self-care and provider interventions  
CHIPTS HIV Behavioral Research Community Forum  
Los Angeles City Hall, June 24, 2014

ART adherence and coping support by interactive voice response (IVR) calls among people living with HIV in India  
CFAR HIV Research in International Settings (CHRIS) Conference, Oral Presentation  
San Diego, October 1, 2014

Medication adherence and quality of life support by interactive voice response (IVR) calls among people living with HIV in India  
Medicine 2.0 Congress, Poster Presentation  
Maui, November 14, 2014

Developing a gay-specific, theory-based text-messaging intervention for methamphetamine-using men who have sex with men (MSM)  
Medicine 2.0 Congress, Poster Presentation Co-Presenter  
Maui, November 14, 2014

Determinants of Consistent Condom Use Among Sex Workers in India: Testing Competing Hypotheses of Perceived Risk, Empowerment, and Financial Security  
142<sup>nd</sup> APHA Annual Meeting and Expo, Mentored Student Presentation Co-Author  
New Orleans, November 15-19, 2014

Exploring pathways into sex work, stigma, and risk for HIV among female sex workers in India  
Society for Social Work and Research 19<sup>th</sup> Annual Conference, Mentored Student Presentation Co-Author  
New Orleans, January 17, 2015

Mobile technologies for research and intervention with youth  
William T. Grant Foundation Annual Mixed Methods Meeting, Invited Oral Presentation  
Los Angeles, March 17, 2015

Innovations and evidence bases for next generation interventions and research  
Jacobs Foundation Conference "eKids: technologies for research and intervention with children and youth." Invited Keynote Presentation  
Marbach, Germany, April 15, 2015

Self-monitoring by smartphone ecological momentary assessment (EMA) to support outpatient methamphetamine treatment: Preliminary efficacy and theory of action from a mixed-methods randomized pilot study

Addiction Health Services Research Conference 2015, Oral Presentation  
Marina Del Rey, California, October 15, 2015

Developing a gay-specific, theory-based text-messaging intervention for methamphetamine-using men who have sex with men (MSM)

National HIV Prevention Conference, Poster Co-Author  
Atlanta, December 6-9, 2015

Innovations in digital health for reproductive health

2016 UCLA Bixby Center Panel, Panelist  
Los Angeles, February 25, 2016

Relationship between psychosocial stress and allostatic load: Findings from the MIDUS study

37<sup>th</sup> Annual Meeting of the Society of Behavioral Medicine, Poster Co-Author  
Washington, D. C., March 30 - April 2, 2016

Are the relationships between domains of psychosocial stress and allostatic load moderated by age?

2016 Epidemiology Congress of the Americas, Poster Co-Author  
Miami, June 21-24, 2016

Do socio-demographic and/or health behavior characteristics moderate the association between psychosocial stress and allostatic load?

2016 Epidemiology Congress of the Americas, Poster Co-Author  
Miami, June 21-24, 2016

Using social media and mobile technology to improve HIV health outcomes among young HIV-positive populations

2016 National Ryan White Conference, Poster Co-Author  
Washington, D.C., August 22-26, 2016

Promising outcomes from a text-messaging intervention to reduce methamphetamine use and HIV sexual risk behaviors among MSM

2016 Addiction Health Services Research Conference, Oral Presentation Co-Author  
Seattle, October 13-15, 2016

Interdisciplinary Collaborations on Kids and Technology

Jacobs-SRCD Technology, Media, and Child Development Pre-Conference Workshop,  
Invited Speaker, Workshop Co-Facilitator  
Irvine, October 27, 2016

Smartphone ecological momentary assessment (EMA) and intervention (EMI) in tween-parent daily routines

Society for Research in Child Development, Poster Presenter  
University of California, Irvine, October 27-30, 2016

Lessons Learned from 20 years of Collaboration with Durbar and Sex Workers in India

Women's Health and Empowerment Symposium at Scripps College, Invited Speaker  
Claremont, February 24, 2017

Theory-based text messaging to reduce methamphetamine use and sex risks among MSM  
CALDAR Summer Institute and International Global Health Conference, Oral Presentation  
Co-Author  
Los Angeles, August 15-17, 2017

Investigating the impact of Cambodia's anti-trafficking law on HIV harm reduction interventions with female sex workers  
2017 American Public Health Association Annual Meeting, Oral Roundtable Co-Author  
Atlanta, November 4-8, 2017

Gender Differences in Depression Among People Living with HIV/AIDS in India  
2018 CHIPTS HIV Next Generation Conference, Poster Co-Author  
Los Angeles, January 18, 2018

Development and Empowerment with Marginalized Women and their Families in West Bengal  
2018 UCLA Project RISHI Alumni & Initiatives Conference, Invited Keynote Speaker  
Los Angeles, January 28, 2018

Opportunities for Addressing Substance Use among HIV Patients in the Inland Empire & Coachella Valley  
HIV and Aging Research Program Meeting, Oral Presentation  
Palm Springs, March 14, 2018

The UC Global Health Institute's (UCGHI) Center of Expertise on Women's Health, Gender and Empowerment: Who We Are, What We Do, and How You Can Get Involved  
UCLA Women's Health and Gender Health Seminar Series, Invited Lecture  
Los Angeles, April 11, 2018

Soccer & Vocational Training to Reduce HIV Risk and GBV with Young Men in South African Townships  
2018 UC Global Health Institute's Global Health Day, Oral Presentation  
San Diego, April 22, 2018

Engaging Seronegative Youth to Optimize the HIV Prevention Continuum  
Youth, Tech, Health (YTH) Conference, Oral Presentation Co-Author & Mentor  
San Francisco, May 6, 2018

Mobile Technologies for Research and Intervention with Homeless Youth  
UCLA & Homelessness: See. Study. Solve. Conference on Transdisciplinary Homelessness Research, Invited Oral Presentation  
Los Angeles, May 24, 2018

Coaching: Leveraging Existing Evidence-based Interventions (EBI) to create a Scalable, Adaptable Implementation Model to Increase Uptake of the HIV Prevention Continuum among Youth  
2018 International AIDS Conference, Poster Presentation  
Amsterdam, the Netherlands, July 23-27, 2018

Gender disparities in lifetime and recent transactional sex among high-risk youth  
2018 International AIDS Conference, Poster Co-Author  
Amsterdam, the Netherlands, July 23-27, 2018

Utilization of Weekly Short Message Service (SMS) Surveys to Identify Vulnerable Youth with Acute HIV Infection: ATN CARES Project

2018 International AIDS Conference, Poster Co-Author  
Amsterdam, the Netherlands, July 23-27, 2018

Text-messaging, Online Peer Support, and Coaching Interventions for Youth At-Risk and Living with HIV

Jacobs Foundation Young Scholars Alumni Meeting 2018, Invited Oral Presentation  
Marbach, Germany, August 28, 2018

Engaging Seronegative Youth to Optimize the HIV Prevention Continuum

Adolescent (HIV Medicine) Trials Network Fall Meeting, Oral Presentation  
Washington DC, October 14, 2018

17 years of Research Collaborations with Durbar / aka “The Sonagachi Project” HIV Intervention with Sex Workers in West Bengal, India

Invited Oral Presentation for UCSD South Asia Center and Global Health Program  
San Diego, November 1, 2018

Interim Results from the Evaluation and Technical Assistance Center for the HRSA/SPNS Social Media Initiative (SMI)

2018 National Ryan White Conference on HIV Care and Treatment, Oral Presentation  
Washington DC, December 13, 2018

Soccer & Vocational Training to Reduce HIV Risk & GBV with Young Men in South African Townships

Annual Retreat for the UC Global Health Institute’s Center of Expertise on Women’s Health, Gender, and Empowerment, Oral Presentation  
Lake Arrowhead, January 10, 2019
