

HIV GRAND ROUNDS

"ETR's Health Equity Framework: From Reflection to Integration and Action for HIV Research"

This presentation will discuss ETR's Health Equity Framework (found here: <https://www.etr.org/about-us/health-equity-framework/>), which is a key driver of the agency's 40 plus year history in the addressing key public health issues, and how it can be applied and integrated into our work as HIV scholars, researchers, and activists.
