

Grand Rounds

This monthly lecture series, which is offered by the UCLA CFAR / AIDS Institute, consists of hour-long lunchtime lectures, delivered by invited guests or distinguished members of the Institute faculty, on a broad range of subjects. The aims of the program are to highlight important developments in AIDS-related research, encourage collaborations between UCLA investigators and invited speakers, interest young investigators in AIDS research, and provide information about new findings and new funding opportunities.

Jeffrey D. Klausner, M.D., MPH

Professor of Medicine, David Geffen School of Medicine University of California, Los Angeles
