# What is this study about ?

## Health Equity Implementation Framework

House & Ball Community  
(Recruit and train Peer  
Ambassadors)

The AMAAD Institute  
(Support and retention  
services)

Watts Health Center  
(PrEP Care Program)

# What are the study aims?

## Aim 1:

Examine barriers and challenges affecting the PrEP care continuum and train young Black LGBTQ+ members of the House & Ball Community (H&BC) as Peer Ambassadors

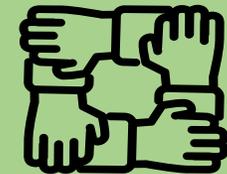

## Aim 2:

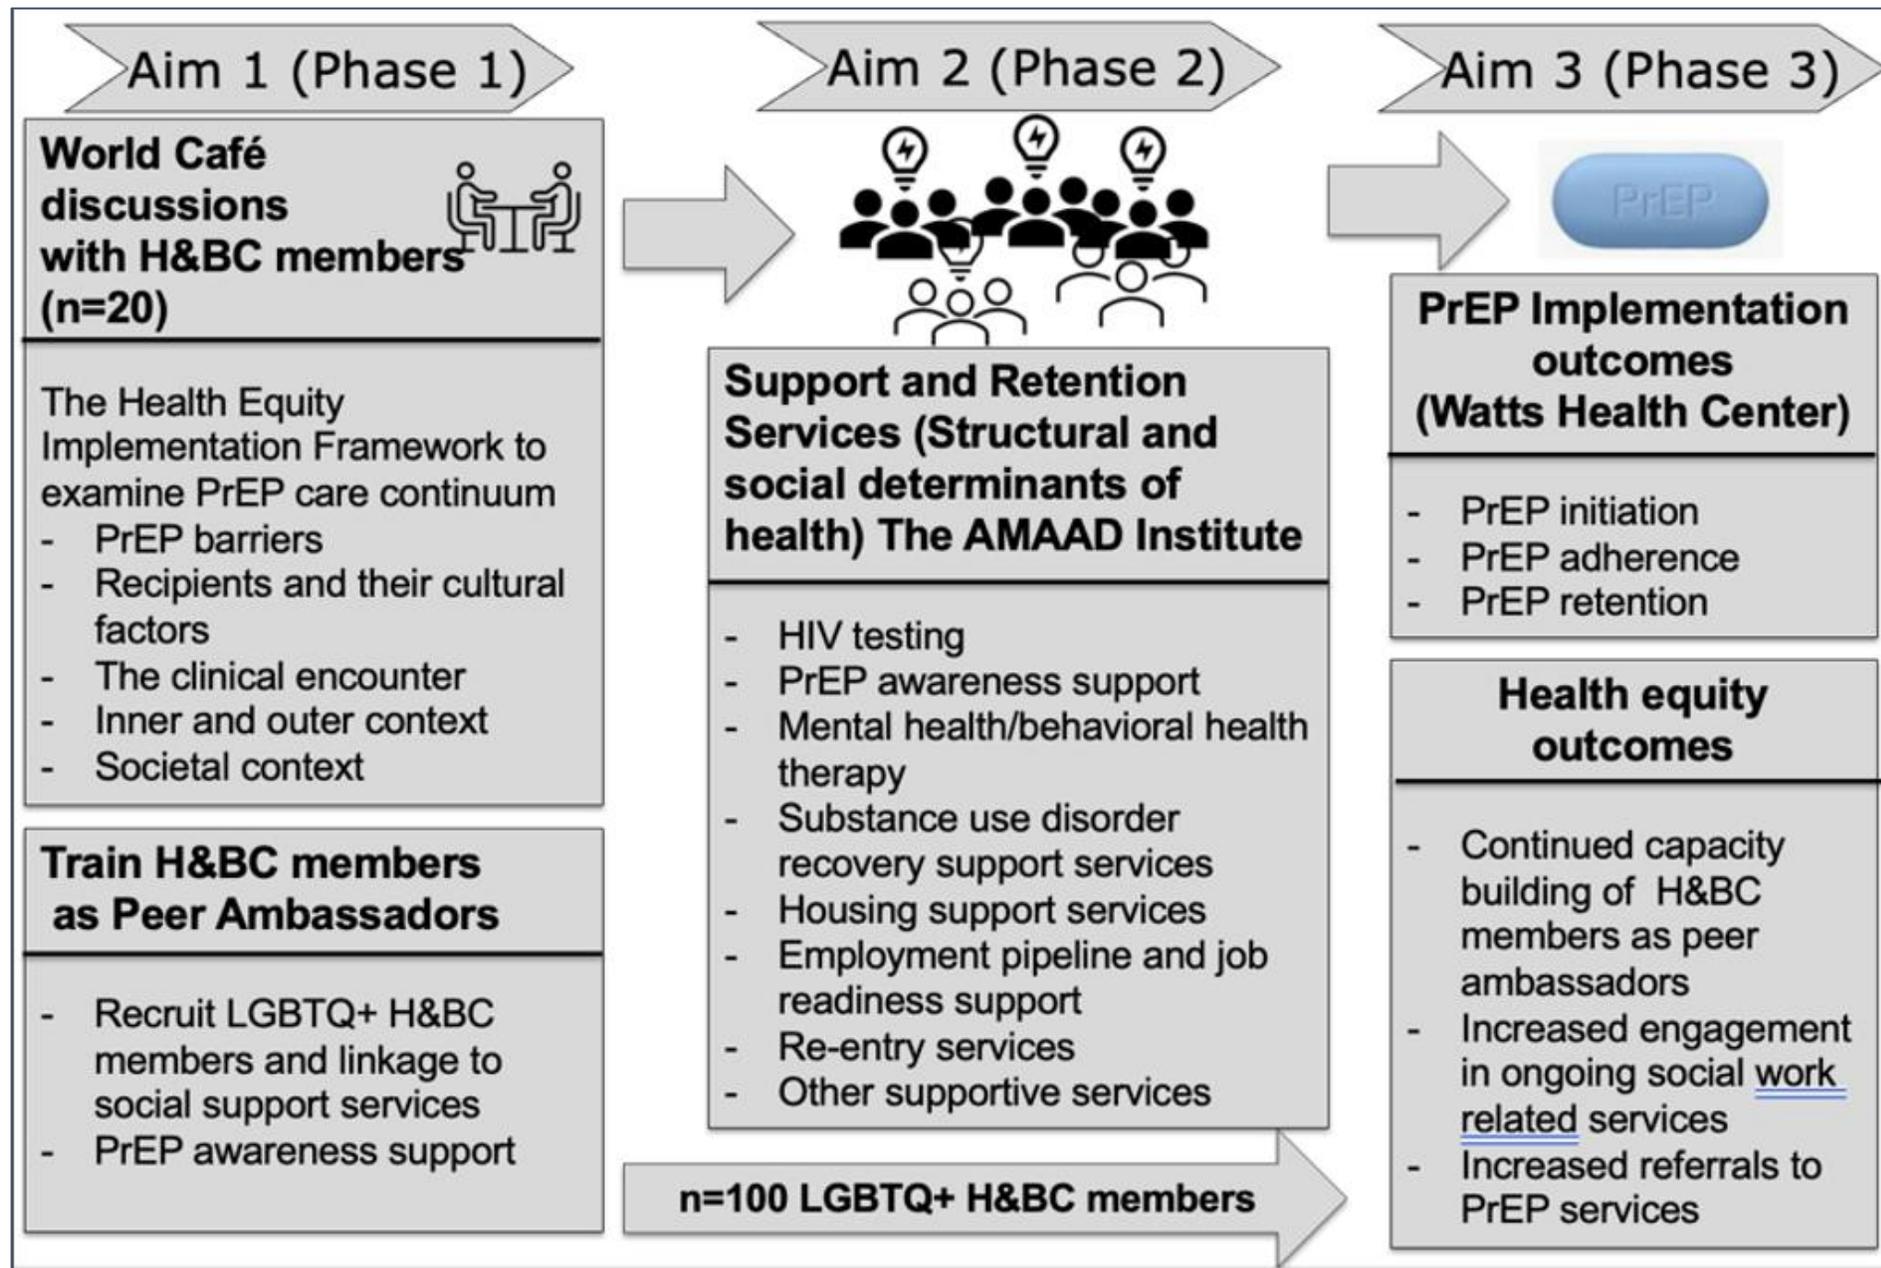

Formalize H&BC empowerment services that facilitate linkages to support and retention services provided at a comprehensive social work and grassroots engagement agency

## Aim 3:

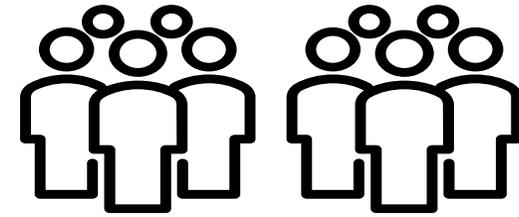

Pilot test H&BC community-engaged grassroots model approaches that can support the PrEP care continuum

# What we are going to do

# Next Steps

- Biweekly meetings
- CPPR process (e.g., H&BC engagement, project name)
- Dec., 2022: Catch the Beat Event
- Jan., 2023: Haus of C.H.O.P World Café (Aim 1)

# Thank you!
