

Sin Vergüenza

Season II

Presented by **AltaMed**

Objectives

- Demonstrate how culturally appropriate videos can be effective in educating the Latino community about HIV transmission, treatment, and prevention.
- Discuss the impact videos and video sharing sites have in reaching a broad Latino audience with public health messages.

About the Producer Organization

The largest independent Federally Qualified Community
Health Center in the U.S.

Delivering more than 930,000 annual patient visits through
its 43 sites in Los Angeles and Orange Counties

HIV in the US

Centers for Disease
Control and Prevention
(July 2012)

Released the Stages of
Care, a comprehensive
analysis showing that only
25% of the 1.1 million
Americans living with HIV
have their virus under
control

OVERALL: Of the 1.1 million Americans living with HIV, only 25 percent are virally suppressed.

About the Series

Created in 2012, the series encourages people to seek HIV testing by featuring character stories highlighting the impact HIV has on Latino families.

- 7-episode Telenovela web series
- Bilingual: English and Spanish

Available on
SVseries.com

Purpose

- Develop a culturally competent education tool to:
 - Address health disparities Latino communities related to HIV.
 - Disseminate HIV prevention messages in an innovative, nontraditional, accessible manner
 - Engage communities in conversations about HIV

Sin Vergüenza = Without Shame

SHAME Informs you of an internal state of inadequacy, unworthiness, dishonor, or regret about which others may or may not be aware.

Another person, circumstance, or situation can trigger shame in you, but so can a failure to meet your own ideals or standards whether or not they are perfectionist

(Lamia, 2011)

Meet the Salazars
