A **PrEP** and **PEP** Summit for Latino Providers

Friday, August 29, 2014
8am to 12pm

California Endowment
1000 N. Alameda Street
Los Angeles, CA 90012

The goals of the summit are:

- ▶ To explore the implications of emerging HIV biomedical interventions
- ▶ To address topics related to culture, stigma, and disparities in the Latino community
- ▶ To provide staff with the skills and knowledge to support their clients in understanding and accessing HIV biomedical interventions

Intended audience is any staff who provide direct services to the Latino community (e.g. clinicians, case managers, medical care coordinators, HIV testing staff, health educators, outreach workers, etc.)

For more info, email nsanchez@altamed.org or call (323) 307-0133.

This event is sponsored by the UCLA Center for HIV Identification, Prevention, and Treatment Services (NIMH grant # MH058107) and the Center for Behavioral and Addiction Medicine.
