

HOUSING RIGHTS OF PEOPLE LIVING WITH HIV

Presented by:

Shawn Kravich, Esq.

Director, Los Angeles HIV Law and Policy Project

Rebecca Watson, Esq.

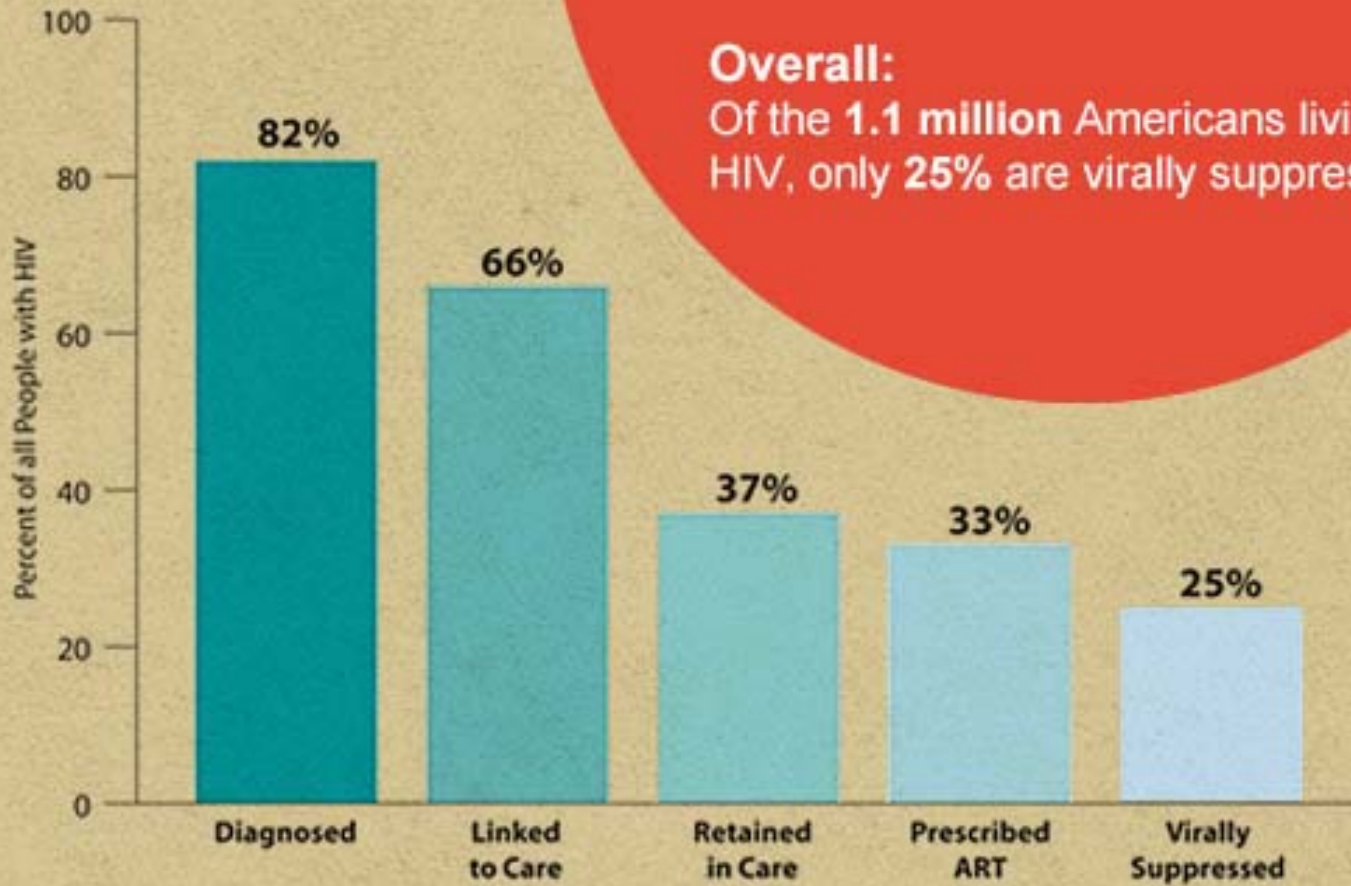

Staff Attorney, Inner City Law Center

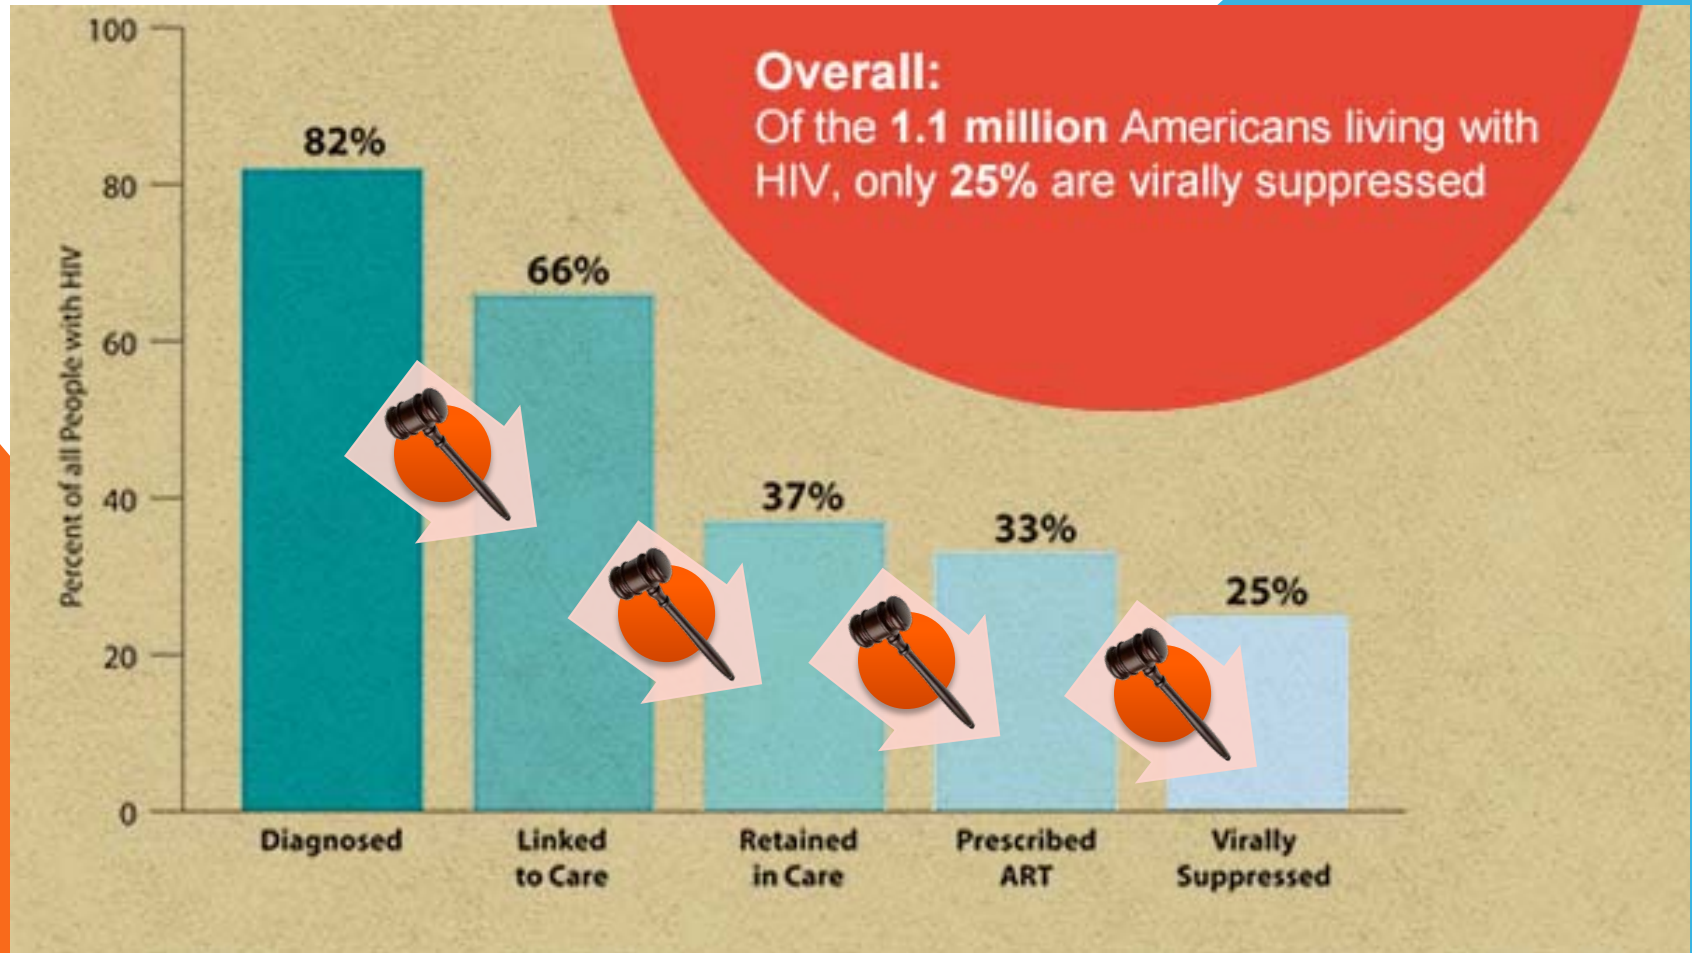

The Los Angeles HIV Law and Policy Project – LA HLPP (“LA Help”) is a collaborative program of Disability Rights Legal Center, the AIDS Legal Services Project of the LA County Bar Association, Inner City Law Center, and UCLA School of Law.

Together, we work to meet the legal needs of people living with HIV in Los Angeles.

Overall:

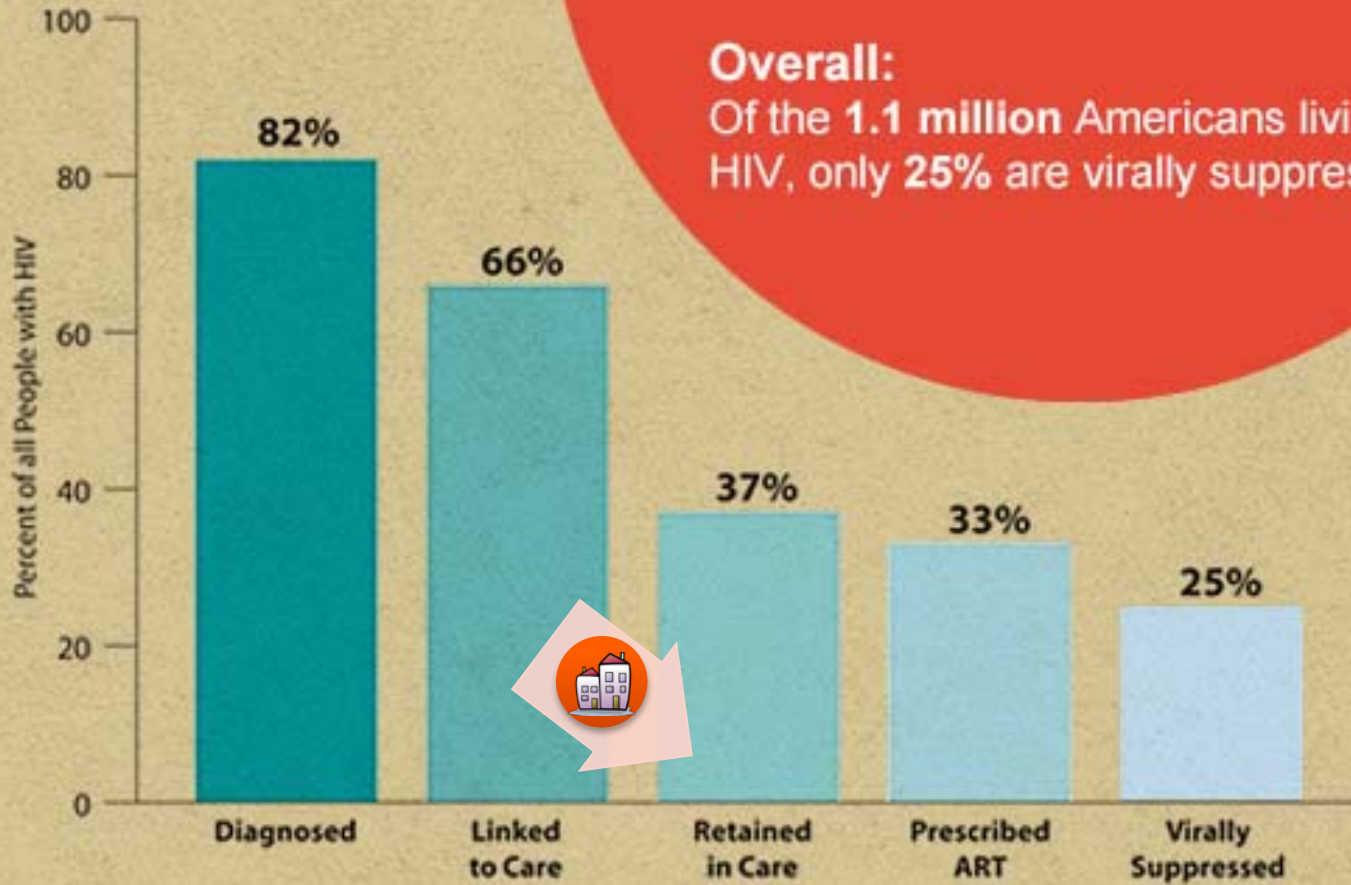

Of the 1.1 million Americans living with HIV, only 25% are virally suppressed

Legal obstacles interfere with every component of the Continuum of Care

- Employment Discrimination or Accommodation
- Medical Privacy/Confidentiality
- Public Benefits
- Health Care Access
- Health Insurance Appeals
- Consumer Law/Medical Debt/Bankruptcy
- Immigration
- Disability Insurance
- Housing
- And others...

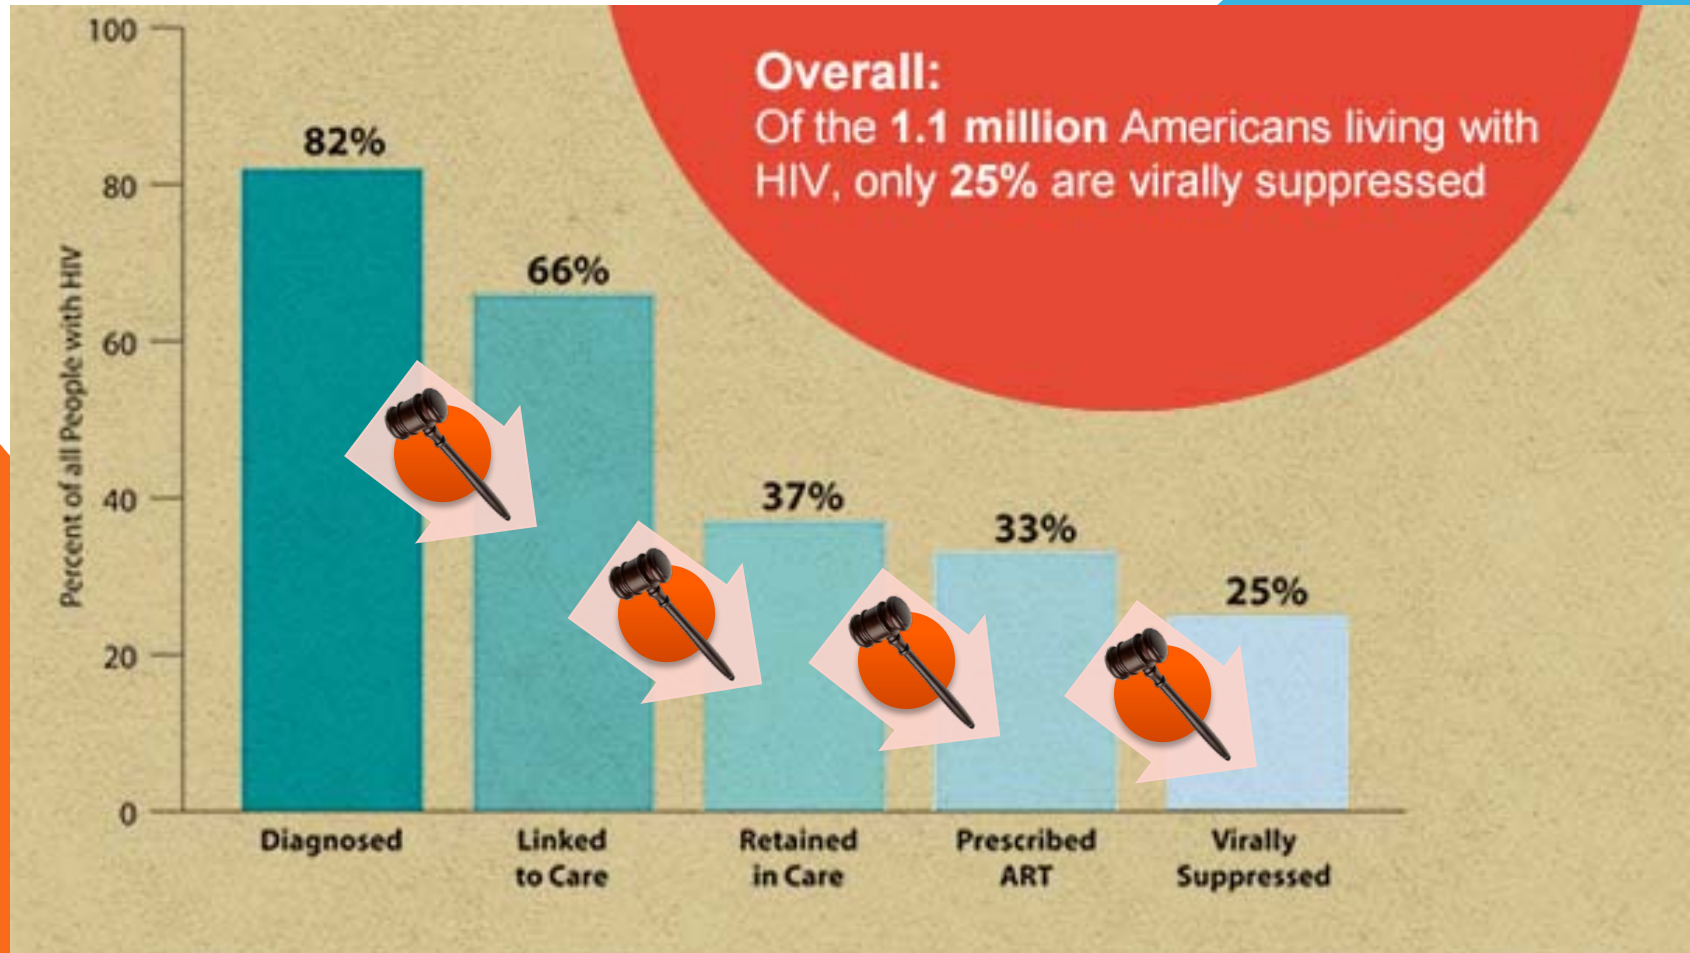

Overall:

Of the 1.1 million Americans living with HIV, only 25% are virally suppressed

Housing:

- Affordability
- Health
- Safety
- Freedom from Discrimination

Legal obstacles interfere with every component of the Continuum of Care... but legal services are among the least funded services for PLWHA...
