MISSION: To build capacity to implement sustainable solutions that address the unique challenges facing older adults with HIV in California.

HIV & AGING Educational Initiative

PRESENTS

SESSION 5 of the Series:
SUBSTANCE USE

SESSION 5B: Strategies to Address Substance Use among Older Adults with HIV in California

JUNE 7, 2023 (5B), 1–3PM

REGISTER HERE

SESSION 5 LEARNING OBJECTIVES

By the end of this two-part session, participants will be able to:

1. Explain the health impact of the three most common substances used by older adults with HIV in California.
2. Identify at least one resource available to help support older adults with HIV in California to better access substance use services.
3. Explain the impact of at least one effective strategy to address substance use issues among older adults with HIV in California.

JUNE CE INFORMATION
