**JUNE 7, 2023 (5B), 1–3PM**

[REGISTER HERE](#)

### SESSION 5 LEARNING OBJECTIVES

*By the end of this two-part session, participants will be able to:*

1. Explain the health impact of the three most common substances used by older adults with HIV in California.
2. Identify at least one resource available to help support older adults with HIV in California to better access substance use services.
3. Explain the impact of at least one effective strategy to address substance use issues among older adults with HIV in California.
