

PERSONAL HISTORY:

Business Address:
University of California, Los Angeles
Department of Psychiatry and Biobehavioral Sciences
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
10920 Wilshire Blvd., Suite 350
Los Angeles, CA 90024
P: 310-794-0357

EDUCATION:

June 2003 **Ph.D. in Epidemiology**
Fielding School of Public Health, University of California,
Los Angeles, CA.

May 1998 **M.P.H in Epidemiology (Global Health)**
Yale School of Medicine, Epidemiology and Public Health,
New Haven, CT.

May 1996 **B.A. in Social Psychology**
Certificate in Community Health Program
Tufts University, Medford, MA.

PROFESSIONAL EXPERIENCE:

Present Positions –

Associate Professor-in-Residence I
University of California at Los Angeles,
Department of Psychiatry and Biobehavioral Sciences
David Geffen School of Medicine
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
(July 2013 – present)

Associate Professor-in-Residence I
Department of Epidemiology
University of California at Los Angeles,
Fielding School of Public Health
(July 2013 – present)

Associate Director, Methods Core
University of California at Los Angeles,
Center for HIV Identification Prevention and Treatment Services
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
(October 2004 – September 2009; November 2012 – present)

Previous Positions –

Assistant Professor-in-Residence IV

Department of Psychiatry and Biobehavioral Sciences
David Geffen School of Medicine
University of California at Los Angeles
(October 2010 – June 2013)

Assistant Professor-in-Residence IV

Department of Epidemiology
Fielding School of Public Health
University of California at Los Angeles
(January 2012 – June 2013)

Associate Research Epidemiologist I

University of California at Los Angeles,
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
(July 2010 – October 2010)

Principal Administrative Analyst II

University of California at Los Angeles,
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
(October 2004 – October 2010)

Assistant Research Epidemiologist III

University of California at Los Angeles,
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
(July 2009 – June 2010)

Assistant Research Epidemiologist II

University of California at Los Angeles,
Semel Institute for Neuroscience and Human Behavior
Center for Community Health
(March 2007 – June 2009)

Staff Research Associate

University of California at Los Angeles, CA.
Semel Institute Center for Community Health
(July 1999 – October 2004)

HIV/AIDS Project Director

Population and Community Development Association,
Department of HIV/AIDS Planning, Bangkok, Thailand.
(Summer 1997)

HONORS AND SPECIAL AWARDS:

May 2006

APHA HIV/AIDS Section Award for “Outstanding Abstract Submission,” for “HIV risk behaviors of Latino and African American gang members: Implications for HIV prevention.”

2002 — 2003

Dissertation Year Fellowship Award in Epidemiology, School of Public Health, University of California, Los Angeles

2001 — 2002

Regents Registration Tuition Fellowship in Epidemiology, School of Public Health, University of California, Los Angeles, CA.

February 2001

Cornelius L. Hopper Award for “Outstanding New Investigator Paper in Social Behavioral Sciences,” Universitywide AIDS Research Program (UARP), Los Angeles, CA.

2000 — 2001

Regents Registration Tuition Fellowship in Epidemiology, School of Public Health, University of California, Los Angeles, CA.

Winter 1999, Spring 2000

Regents Registration Tuition Fellowship in Epidemiology, School of Public Health, University of California, Los Angeles, CA.

Winter 1999

Graduate Student Researcher Fellowship in Epidemiology, School of Public Health, University of California, Los Angeles, CA.

RESEARCH GRANTS AND FELLOWSHIPS RECEIVED:

ACTIVE

Source/ID Number/PI : NICHD 1R21HD076658-01A1 (PI: Lee)

Funding Period: 2013/09 - 2015/06

Title of Grant: Service Providers’ Program for Maternal HIV Disclosure to Children in Thailand

Goal: Service providers in Thailand can play a key role in assisting and supporting Mothers Living with HIV (MLH) in their HIV disclosure decisions. The proposed study aims to develop a skills-building curriculum for service providers in northeastern Thailand to assist and support MLH with their decisions around HIV disclosure to their children.

Role: Principal Investigator

Source/ID Number/PI: NIMH 1K01MH085503 (PI: Lee)
Funding Period: 2009/09 - 2014/05
Title of Grant: Family-Focused HIV Disclosure Intervention in Thailand
Goal: This is a Mentored Research Scientist Development Award. The goal of this study is to design and implement family-focused HIV disclosure intervention for HIV-affected families in northeastern Thailand.
Role: Principal Investigator

Source/ID Number/PI: NIDA R01DA033609 (PI: Li)
Funding Period: 5/12-05/31/17
Title of Grant: Enhancing the Role of Commune Health Workers in HIV and Drug Control in Vietnam
Goal: This project focuses on the important role of commune health workers in HIV and drug use prevention and treatment in Vietnam. This project can potentially demonstrate a successful model that can be implemented in primary care systems to address the HIV epidemic and drug use prevention.
Role on Project: Project Director/Co-Investigator

Source/ID Number/PI: NIMH P 30 MH-58107 (PI: Rotheram-Borus)
Funding Period: 2014/02 – 2015/01
Title of Grant: Center for HIV Identification, Prevention, and Treatment Services (CHIPTS) Pilot Program 2014 (Assessing Acceptability of in-Home HIV tests for MSM through World Café)
Goal: The goal of this CHIPTS Pilot study is to examine consumer preferences around in-home HIV tests among men who have sex with men (MSM) of color in Los Angeles..
Role: Principal Investigator

Source/ID Number/PI: NIMH P 30 MH-58107 (PI: Rotheram-Borus)
Funding Period: 02/01/12 - 01/31/17
Title of Grant: Center for HIV Identification, Prevention, and Treatment Services (CHIPTS)
Goal: The goal of this Center grant is to promote collaborative research and education on effective HIV detection, prevention, and treatment programs for HIV at the societal, community, provider, and individual levels.
Role: Associate Director (Methods Core)

PENDING

Source/ID Number/PI: 1 D43 TW009583-01A1 (PI: Detels; Lee)
Funding Period: 2014/04 - 2018/03
Title of Grant: UCLA/Thai MoPH Epidemiology Training Program on AIDS
Goal: The goal of this international research training program is to work with the Thailand Ministry of Health to build resource capacity in conducting epidemiological research focused on the HIV epidemic in the country.
Role: Co-Principal Investigator

PAST

Source/ID Number/PI: NIMH P 30 MH-58107 (PI: Rotheram-Borus)

Funding Period: 2011/02 – 2013/01

Title of Grant: Center for HIV Identification, Prevention, and Treatment Services (CHIPTS) Pilot Program 2011 (Assessing Willingness to Test for HIV among Men who have Sex with Men using Conjoint Analysis: Implications for Testing and Treatment for Prevention of HIV Transmission)

Goal: The goal of this CHIPTS Pilot study is to examine consumer preferences around HIV testing among men who have sex with men (MSM) in Los Angeles using conjoint analysis.

Role: Principal Investigator

Source/ID Number/PI: NINR R01-NR009922-01 (PI: Li)

Funding Period: 2005/09 - 2009/09

Title of Grant: Family to Family: Psychoeducation to improve children's outcomes in HIV+ Families (F2F)

Goal: To mount and evaluate an intervention for HIV+ parents, partners, and their caregiver family members in order to benefit their school-age children.

Role: Co-Investigator

Source/ID Number/PI: NIMH P 30 MH-58107 (PI: Rotheram-Borus)

Funding Period: 2008/03 – 2009/02

Title of Grant: Center for HIV Identification, Prevention, and Treatment Services (CHIPTS) Pilot Program 2008 (HIV Disclosure among HIV-Affected Families in Northeastern Thailand)

Goal: The goal of this CHIPTS pilot study is to examine concerns, barriers and motivators around HIV disclosure among HIV-affected families in Northeastern Thailand using qualitative methods.

Role: Principal Investigator

Source/ ID Number/PI: NIMH R01-MH-069087-01A1 (PI: Cunningham)

Funding Period: 2004/09 – 2008/07

Title of Grant: Post-trial HIV Vaccines: Receptivity, Risk & Disparities

Goal: To test and refine a survey instrument to assess intentions to adopt HIV vaccines, barriers to and motivators for adoption, and to assess likely changes in HIV risk behaviors, examine levels of intention adopt post-trial vaccines and to change HIV risk behaviors.

Role: Co-Investigator

TEACHING AND PRESENTATIONS:

Instructor Center for HIV Identification, Prevention, and Treatment Services (CHIPTS) Emerging Scientists Workshop. Thai Ministry of Public Health and Chinese Centers for Disease Control and Prevention (May 20-26, 2010).

International HIV/AIDS Seminar. UCLA Fielding School of Public Health, EPI 293 (Co-Instructor: Roger Detels) (Fall, 2011)

Lecturer

Women and HIV/AIDS in Thailand: Challenges and Opportunities. UCLA, Department of Anthropology: Anthro. 137: Women, Sexuality and Reproduction in Southeast Asia (May 31, 2012).

Mobile Applications for Behavioral Research: Qualitative and Quantitative Analytic Methods. UCLA Fielding School of Public Health, Biostat 288: AIDS Seminar (April 17, 2012)

Challenges in conducting HIV prevention in international settings
UCLA School of Nursing, Los Angeles, California. Nursing 248: Nursing Science – Vulnerable Populations. (April, 2005)

Building Evaluation Capacity among HIV/AIDS Community Based Organizations: Overview and the Lessons Learned. UCLA AIDS Institute Seminar (May, 2005)

Building Evaluation Capacity among HIV/AIDS Community Based Organizations: Overview and the Lessons Learned. UCLA Fielding School of Public Health Biostatistics Doctoral Seminar (April, 2005)

Using Microsoft Excel for Program Evaluation: A Tutorial for HIV/AIDS Community Based Organizations

- Office of AIDS Programs and Policy (November, 2003)
- AIDS Project Los Angeles (September, 2003)
- Los Angeles Prevention Planning Meeting CHIPTS Colloquia (April, 2003)
- Charles R. Drew University (March, 2003)

Invited Speaker

HIV prevention and treatment in Asia: Lessons learned and next steps. Invited talk at US HIV/AIDS Policy in Domestic and Global Contexts. UCLA Luskin School of Public Affairs. May 10, 2013.

Family-based HIV intervention trials in Thailand. Invited talk for the Visiting Faculty Members from Mahasarakham University, Thailand. Dean's Conference Room, June 7, 2011. UCLA School of Public Health, Los Angeles, California.

Implementing evidence-based HIV/STD prevention program in different cultural settings. Skills-building workshop provided at the NIMH Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, June 16-18, 2010. Nashville, Tennessee.

Adaptation of family-based HIV intervention in Thailand: Lessons learned and next steps. Invited talk at the 2010 NIDA Asian American & Pacific Islander Workgroup Conference, June 2-3, 2010. Alexandria, Virginia.

Presenter

Stigma and HIV Disclosure in Thailand: Call for HIV Disclosure Interventions. Presented at the 11th International Congress on AIDS in Asia and the Pacific (ICAAP 11), November 18-22, 2013. Bangkok, Thailand.

Endorsement of Compulsory HIV Vaccination Policy among Most-at-risk Populations (LA VOICES). Presented at the 11th International Congress on AIDS in Asia and the Pacific (ICAAP 11), November 18-22, 2013. Bangkok, Thailand.

Challenges facing HIV-positive injecting drugs users and their families in Vietnam. Presented at the 2013 International Conference on Global Health: Prevention and Treatment of Substance Abuse and HIV, April 17-19, 2013. Taipei, Taiwan.

Development of Family-Focused HIV Disclosure Intervention in Thailand. Presented at the XIX International AIDS Conference, 22-27 July 22-27, 2012. Washington D.C., United States.

Development of HIV Vaccine Attitudes Scales: Implications for HIV Vaccine Acceptability. Presented at the XIX International AIDS Conference, 22-27 July 22-27, 2012. Washington D.C., United States.

Substance use history, HIV testing, and HIV vaccine acceptability among high risk persons. Presented at the 74th Annual Meeting - College on Problems of Drug Dependence, June 9-14, 2012. Palm Springs, CA.

Barriers and Motivators of HIV Disclosure among People Living with HIV in Thailand. Presented at the 10th International Congress in AIDS in Asia and the Pacific, August 26-30, 2011. Busan, Korea.

Differential Correlates of HIV Risk among Men and Transgender Women Recruited from Gay Entertainment Venues and Community-based Organizations in Thailand: Implications for HIV Prevention. Presented at the 10th International Congress in AIDS in Asia and the Pacific, August 26-30, 2011. Busan, Korea.

Psychosocial indicators of children of parents living with HIV in Thailand. Presented at the XVIII International AIDS Conference, July 18-23, 2010. Vienna, Austria.

HIV Disclosure challenges among people living with HIV in Thailand. Presented at the NIMH Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, June 16-18, 2010. Nashville, Tennessee.

Caregiver burden of family members of persons living with HIV in Thailand. Presented at the 9th International Congress in AIDS in Asia and the Pacific, August 9-13, 2009. Bali, Indonesia.

Gender Variations in Depression among People Living with HIV/AIDS in Thailand. Presented at the 9th International Congress in AIDS in Asia and the Pacific, August 9-13, 2009. Bali, Indonesia.

HIV Treatment Adherence among Patients living with HIV/AIDS in Thailand. Presented at the 9th International Congress in AIDS in Asia and the Pacific, August 9-13, 2009. Bali, Indonesia.

Challenges facing families living with HIV in Thailand. Presented at the NIMH Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, October 6-8, 2008. Providence, Rhode Island.

Effects of family support and functioning on health and compliance among Thai parents with HIV. Presented at the Joint European Health Psychology Society/British Psychological Society Conference, September 2008, Bath, United Kingdom.

HIV vaccine acceptability and risk behavior intentions among vulnerable subpopulations in Los Angeles: L.A. VOICES. Presented at the International AIDS Conference. Mexico City, Mexico, August 2008.

Endorsement of mandatory HIV vaccination policies: A probability sample survey of adults in Los Angeles, County: L.A. VOICES. Presented at the International AIDS Conference. Mexico City, Mexico, August 2008.

Perceived vulnerability and sexual risk behaviors of young male urban street gang members in the United States: Implications for HIV prevention. Presented at the International AIDS Conference. Mexico City, Mexico, August 2008.

Stigma and social support: Impact on depression among people living with HIV in Thailand. Presented at the International AIDS Conference. Mexico City, Mexico, August 2008.

Perceived vulnerability and sexual risk behaviors of young male Hispanic gang members in the United States: Implications for HIV prevention. Presented at the California Sociological Association (CSA) Meeting, November, 2008, Riverside, California.

HIV risk behaviors of Latino and African American gang members: Implications for HIV prevention. Presented at the 2006 American Public Health Association Conference. Nov. 4-8, 2006.

Use of Conjoint Analysis Methods to Assess HIV Vaccine Acceptability in Three Populations: An Innovation in the Assessment of Consumer Healthcare Preferences Presented at the International AIDS Conference, Toronto, Canada. August 13-18, 2006.

Family Matters: The Next Generation of HIV Interventions in Thailand Presented at the International AIDS Conference, Toronto, Canada. August 13-18, 2006.

Continuing risk behaviors among men who have sex with men compared with heterosexual men and women in Los Angeles: 1997, 1999 and 2002/3. Presented at the 2005 American Public Health Association Conference. Dec. 10-14, 2005.

Building Evaluation Capacity among HIV/AIDS Community Based Organizations:

Overview and the Lessons Learned.

Presented at the CHIPTS Methods Seminar Series, Los Angeles, CA, January, 2005.

Sex Worker or Prostitute? Labels do matter: Evidence from a community-level intervention trial of the Sonagachi Project, India. Presented at the 2004 American Public Health Association Conference. November 6-10, 2004.

Willingness to participate (WTP) in hypothetical HIV vaccine trials among communities at risk in Los Angeles, California, U.S.A. (Project VIBE).

Presented at the International AIDS Conference, July 11-16, 2004.

Evidence for the efficacy of the Sonagachi Project in improving condom use and community empowerment among sex workers: Results from a cohort-control study.

Presented at the International AIDS Conference, July 11-16, 2004.

Consumer Willingness to Participate in HIV Vaccine Trials among Communities at Risk (Project VIBE). Presented at the Universitywide AIDS Research Program (UARP) 20th AIDS Investigators' Meeting, 6th Conference on AIDS Research in California. February 20, 2004.

Depression and Social Support Network among Adolescents of Parents Living with HIV

Presented at the United States Conference on AIDS, Anaheim, CA (2002).

Trends in Health Risk Behaviors among Asian/Pacific Islander Youth

Presented at the Universitywide AIDS Research Program Conference, Los Angeles, CA (February, 2001)

Psychiatric Diagnoses among Bereaved Adolescents and Living with a Parent with HIV.

Presented at the HIV Research: The Next Generation Conference, Los Angeles, CA (April 2000)

Needs Assessment of People Living with HIV/AIDS in Northeastern Thailand

Presented at the HIV Research: The Next Generation Conference, Los Angeles, CA (May 1999)

Assessment of Undergraduates' Attitudes Toward Smoking American Public Health Association (APHA) Conference in Indianapolis, IN (November 1997)
