<http://dx.doi.org/10.7448/IAS.19.1.21263>

The image shows a browser window with the address bar displaying 'google.com'. Below the address bar, there are several tabs: 'USC Libraries |', 'onlinelibrary.wiley.com.libprox...', 'Find it @ USC', and 'https://www-ncbi-nlm-nih-go...'. The main content area features the Google logo on the left and a search input field on the right. The search input field contains the text 'what is arti' and a magnifying glass icon. Below the search input field, a dropdown menu displays four suggestions: 'what is **artificial intelligence**', 'what is **artificial selection**', 'what is **articulation**', and 'what is **article 50**'. Below the suggestions, the text 'Press Enter to search.' is visible on the left, and 'Report inappropriate predictions' is visible on the right.
